

FOR IMMEDIATE RELEASE

Green Street Technology Solutions Named a Constant Contact Certified Partner

*Philadelphia area marketing expert to help small businesses and nonprofits
achieve meaningful marketing results*

MALVERN, PA – February 08 2021 – Matthew Lewis of Green Street Technology Solutions, has been named a Certified Partner by [Constant Contact](#), an [Endurance International Group](#) company and a leader in online marketing solutions for small businesses.

As a Certified Partner, Matthew has demonstrated in-depth knowledge of the Constant Contact online marketing platform and best practices. This ensures program participants and the clients they serve will realize meaningful results from their investments in email and online marketing.

“This partnership with Constant Contact allows us to provide top-rated client engagement solutions to our clients. The yearly certification exam shows our commitment to both our clients and the value we place in the Constant Contact platform. By investing in the training and staying up to date with releases and features of Constant Contact, we can provide the latest and best solutions to our clients.” Said Matthew Lewis, owner Green Street Technology Solutions.

Green Street Technology Solutions focuses on the technology side of the business allowing owners and employees to focus on their business. We handle every aspect of the businesses’ technology infrastructure from servers and hardware support and maintenance as well as working with the key people to ensure that the business is using technology as a tool to engage and retain clients.

“The Certification Program ensures customers that our Partners have proven, in-depth knowledge of online marketing and Constant Contact’s offerings,” said Joe Ribaldo, Director of Channel Marketing, Constant Contact. “By earning Certified Partner status, Matthew has demonstrated his commitment to helping clients succeed by taking proactive steps to grow his marketing skillset.”

About Green Street Technology Solutions

At Green Street Technology Solutions we recognize technology as an asset and allow individuals and small businesses to thrive utilizing the best of technology. With a variety of technology-based solutions, ranging from computer repairs to network maintenance, website development, and more, we are your go-to resource when it comes to getting the most out of your technology.

Green Street Technology Solutions is led by a bunch of tech-geeks who not only know a lot about technology but are also passionate about it. We are always up to date with the ever-changing world of technology, which is why we’re extremely versatile, reliable, and proficient for our clients.

We offer solutions for individuals who are seeking help with computer hardware, software, network, or digital elements as well as solutions for small businesses with less than 75 employees. Green Street Technology Solutions gives local and small businesses the right technology assistance that provides many benefits like troubleshooting technology issues, improving productivity, enhancing technology operations, offering better data and network security, and much more. Small businesses are usually on a budget and can't afford an in-house technology department, but we offer the more accessible and affordable solution!
